

WOC Harvest Hope Food Drive November 25th to December 13th

The WOC is overjoyed to announce a Harvest Hope Food Drive. Our local community has suffered tremendously in recent months and Harvest Hope is meeting the community's needs every day. Our local Columbia branch now supports approximately 1,000 individuals every day compared to last year's 300 individuals daily. This is truly wonderful! We will be accepting non-perishable items listed below through December 13th. The collection boxes will be placed in the vestibule for you to drop your items off on your way into the sanctuary. The WOC recognizes that all our members are not able to attend church. You may also donate to this worthy cause by placing your donation in the offering box in the vestibule or mailing your donation to the church office. Did you know that for every dollar donated Harvest Hope provides 5 meals for people in need? Please consider donating to this amazing organization!
